01 audit // stroke ends and alignment

Q −14%, tail at 45°

U −15%, lighter

E −17%, arms evened

A −17%, lighter

Audit, then redraw.

First a technical audit: geometry, stroke, colour and how the logo changed from piece to piece. Then I moved and redrew each letter by hand, keeping the wide name.

SPECS/
├ Before : Arial Black, +141.4%
├ Stroke : ratio 2.11 to 1.8
├ Pantone : 348C
└ Min size : 0.5 cm, 40 px

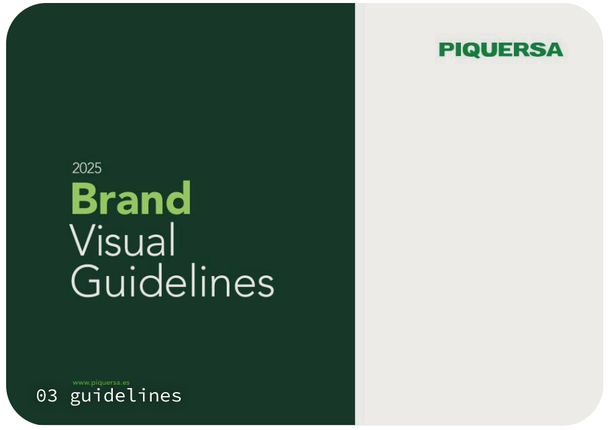

04 editorial // real catalogue, staged scene

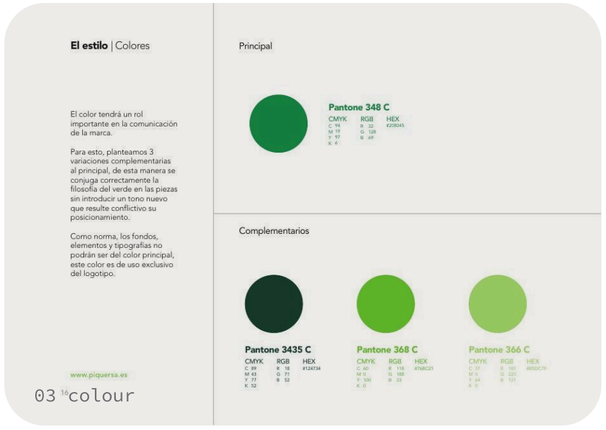

03 stationery // mockup

Brand and editorial.

A full rebrand: logo use, colour, type, imagery and tone of voice, gathered in a 33-page guide. Then catalogues, brochures and stationery built on it.

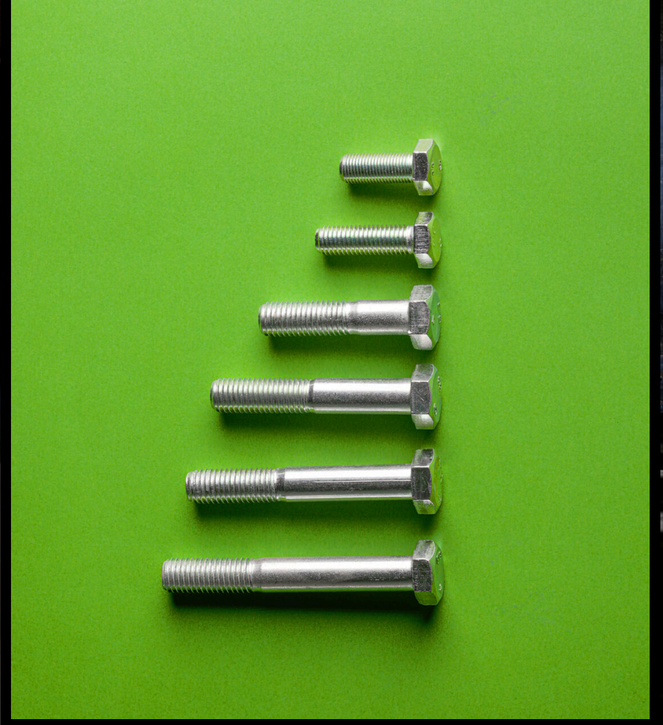

SPECS/
- Guide : 33 pages
- Colour : 348C and three greens
- Pieces : catalogues, brochures, stationery

// Plataforma X las Marcas

CapaGel.

A new product range: logo, symbols and pack graphics across the bags.

// agency work
// Plataforma X las Marcas

A security group's new mark, merging Dimoba's graphic style with Grupo Control's simplicity. The dot and the initial stay.

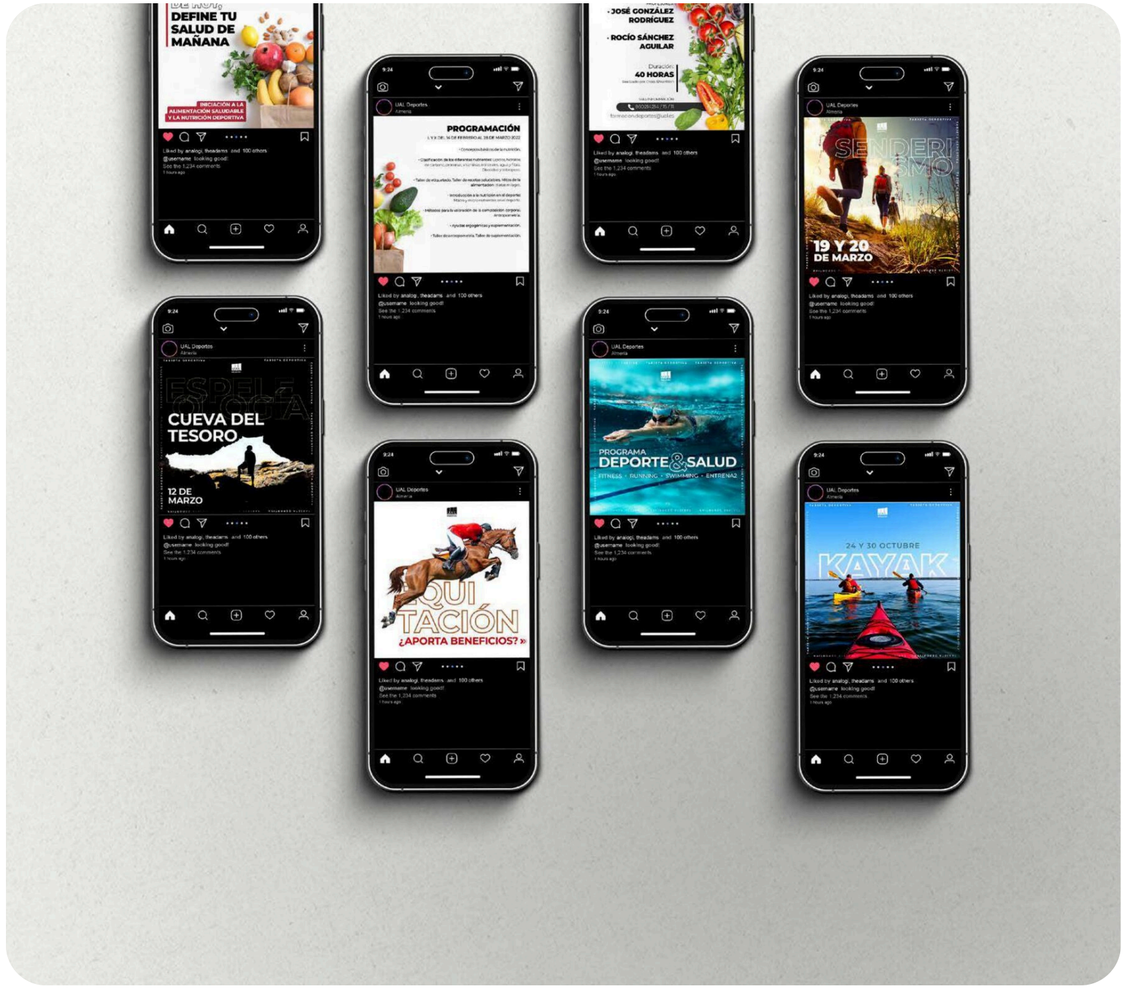

// agency work
// Plataforma X las Marcas

Grupo Cajamar's cycling classic: concept and art direction of posters, social and motion shorts.

CSIF, a national public-sector union: posters, digital, animation and print.

UAL Deportes: calendar and design for Instagram and Facebook.
